Inchgarth Community Centre

Inchgarth Community Centre is the city's busiest, best resourced and most successful centre. Run by a voluntary committee and small staffing team, the centre has a programme of 150 sessions of activity per week. Add this to our tremendous range of facilities, then it's little wonder why over 2000 people use Inchgarth.

Why not visit our website to view our programme and excellent facilities.

Inchgarth relies on the goodwill of volunteers to run the centre, programme and the many services which we offer. We have many volunteering opportunities available that would make a lasting difference to the lives of others. Many take as little as 1 hour per week but have a huge impact on the lives of others. Volunteering makes a huge difference to our community but also for the person kind enough to give up their time. Speak to a member of staff to learn more and see how you too could make that difference.

The Queen's Award for Voluntary Service.

The Queen's Award for Voluntary Service, also known as The Queen's Golden Jubilee Award for Voluntary Service by Groups in the Community and The Queen's Diamond Jubilee Volunteering Award is an annual award given to groups in the voluntary sector of the United Kingdom. Winning groups are announced in the London Gazette on 2 June each year, the anniversary of the coronation of Queen Elizabeth II. The award is equivalent to the MBE and is the highest award that can be made to a voluntary group. The award is managed by the Department of Culture, Media and Sport.
