# ABOUT INCHGARTH

Inchgarth community centre has held a special place in the hearts of many for nearly 70 years having been a school from 1950 to 1982, and then a community centre from 1984 to present day.

With 150 sessions of activity for every age group, a tremendous range of opportunities and facilities for all, and some 2000 centre users , Inchgarth represents a truly unique service in the heart of our community.

**Inchgarth was recognised by Her Majesty the Queen** in October 2017 via the Queen's award for voluntary service- an MBE, which is the highest award an organisation can receive in the UK. This recognised the outstanding service by our entire team and cemented our place as a centre of excellence.

Inchgarth is a centre that prides itself on the opportunities we provide for those in society that need us the most. With outstanding activities for 500 children, 400 pensioners, 370 people with disabilities, and the wider public, our centre plays a vital role in the life chances of many. Much of this is only possible due to our sponsors, funders, and partnerships.

***Sponsorship is a two way benefit where Inchgarth does it's best to ensure those who support us gain maximum exposure.***
